WHITTLER WINS FROM SAMUELSON

Sets New Mark for Two Miles on a Motorcycle-Iver Lawson Takes Another Championship.

Another large crowd attended the bicycle races at the Salt Palace last evening and witnessed one of the best pro-grams of the season. The motorcycle race between Whittler and Samuelson

race between Whittler and Samuelson was exciting and the question of superjority was inally settled by Whittler's
victory over Samuelson.

In the first heat Samuelson had the
pole but before the two miles were covered the "Wobbler" dashed around Samuelson, making the two miles in 2:14,
establishing a new record for the distance. Whittler gave his rival the pole
in the second heat and when he thought
it time to go around he opened up the
throttle and passed Samuelson so fast
the latter looked as if he were tied to
the track.

the latter looked as if he were tied to the track.

The other feature of the evening was Iver Lawson's victory in the five-mile "western championship." In this race Iver was in championship form and with Pye pulling him he rode a great race, lowering Pye's record five seconds. In vain the other riders tried to prevent Lawson from winning but he was not to be denied and when the sprint came he made a jump that left his competitors far behind.

In the amateur pursuit race Wright proved the speediest and strongest of the bunch, going around Mayer and Thomas.

JONES DENIES IT.

Portland. Or. Aug. 24.—When Fielder Jones, former manager of the Chicago American league team, who is now in the lumber business in this city, regarding his re-entry into the baseball world, he declared that the statement was shown the dispatch from New York that he had made an offer for the Boston National league franchise was erroneous. He added tersely, "I would not have it."

He also said that no negotiations were pending between him and R. L. Hedges, president of the St. Louis American league team.

Asked regarding the statement that he might buy into the Washington American league club. Jones dodged the question, but he left a strong impression that he either had secured, or soon would secure, a controlling interest in that club.

PAULHAM BREAKS WORLD'S RECORD

Beats Flight Made by Bleriot-Average Height Was 300 Feet-Latham's Bad Luck.

Rheims, Aug. 23.-A marvelous pro-longed high flight of 30 kilometers (18½ miles) in a 20-knot breeze by Paulham and the establishment of a new ham and the establishment of a few world's record for 10 kilometers at the rate of 74.318 meters (46 miles) an hour by Bleriot, were the features of the aerial race meeting today. Owing to the high wind, there would have been no flights except for the visit of President Fallieres and his cab-

Visit of President Fallieres and his canlinet.
Young Bunau-Varilla, with his machine plunging like a ship in a stormysea, managed to navigate the turbulent
air currents for one round. Then Paulham began his thrilling flight. He
made the first two rounds at an altitude
of 250 feet, but as he entered the third
circuit, he reached a height of between
400 and 500 feet. The biplane struck
what seemed a dangerous angle. It
swayed in the wind, but each time
righted itself. Paulham completed his
exploit with a wonderful exhibition of
maneuvering.

maneuvering.

His achievement has made him the unrivaled hero of the meeting.

"Why did you venture out in such a wind?" he was asked,

"The president of the republic was there, It was necessary to fly."

"Why did you go so high?"

"Because in height lay security. The higher I went, the safer I was, as the wind, though strong, was more regular."

wind, though strong, was more regular."

Paulham had nothing to gain by the risks he took, as his flight was not counted in the endurance test. His time was six minutes slower than yesterday's for 30 kilometers.

Bleriot's record-making lap was accomplished with his eight-horsenower machine at a low level. He made the circuit of six and one-fifth miles in 8 minutes, 42-5 seconds. The best previous record was reade yesterday by Glenn H. Curtiss, the American aviator, in 8 minutes, 35 2-5 seconds.

Latham put two machines out of commission in an attempt to start. Finally, just at dusk, he got away and made a superb flight of 'three rounds at an average height of 300 feet.

McLOUGHLIN AND BUNDY ARE IN SEMI-FINALS

Newport, R. I., Aug. 21.—The east will meet the west in the semi-finals of the lawn tennis tournament on the Newport Casino courts tomorrow. From today's play in the sixth round there emerged victorious William J. Clothier of Philadelphia, winner of the national title in 1908; Thomas C. Bundy of Los Angeles; M. E. McLoughlin of San Francisco, holder, with G. F. Janes, of the Pacific coast doubles championship, and G. F. Touchard of New York. Tomorrow Clothier will, meet Bundy and McLoughlin will oppose Touchard.

All but one of today's matches were decided in straight sets, Clothier disposing of E. H. Whitney, the Longwood player and Harvard interscholastic champion; Bundy defeating W. B. Cragin, Jr., the New York militiaman, who yesterday surprised the callery by winning from T. R. Pell, and McLoughlin putting R. H. Palmer, the New Jersey champion, out of the tournament. The chief interest was the triumphal progress through the various rounds of McLoughlin, the speedy Californian. In only one of the five matches he has played in this event has he failed to win in straight sets, the exception being his flye-set match against his fellow Californian, Melville H. Long, which stands out as the best contest of the tournament thus far. The summaries today:

ROCKEFELLER PLAYS GOLF.

Cleveland, O., Aug. 25.—Abe Erianger, the theatrical math, and John D. Rockefeller, met at the Forest Hill golf links yesterday, Erlanger was an early guest by appointment. He did not play, and followed Mr. Rockefeller and Capt. Schofield over the course. M. B. Daly of the East Ohio Gas company also accompanied the players.

The Standard oil chtef told Erlanger and Daly that while both are comparatively young men they should lose no time in taking regular exercise.

"I have received great benefit from playing golf here this summer." said Mr. Rockefeller. "I was slightly underweight when I came to Forest Hill, but now I am back to my normal weight."

Boston, Aug. 25.—Honey Mellody and Billy Rolfe put up a good rugged bout at the reopening of the Armory Athletic association last night and when it was all over the honors were about even. Rolfe was the aggressor most of the time but Mellody got to him in the seventh and for a minute it looked as if Mellody would win right there.

AUTO ACCIDENT

Casualties at Indianapolis Cause Brighton Beach Officials to Take Precautions for Race.

WILL PREVENT

New York, Aug. 25 .- The casualties at the motor racing in Indianapolis last week caused the officials of the Brighton Beach motor track here to rebuild the course with the idea of eliminating any such accidents, and it is confidently predicted now that all records will be smashed in the 24-hour race which is to start at 10 o'clock Friday night. The 10 cars—eight American, one Italian and one French—which are to compete in the event and their drivers, are as follows:

lows:
Renault, Charles Easle and Louis Raf-falovitch.
Palmer and Singen, Ray Howard and Frank Lescault.
Acme, Frank Bearborn, and a driver to be selected. Acme, Cyrus Patsche and H. E. Van-

Losier, Harry Cobe and William Heine, Sterns, Ralph Mulford and Laurent Houpt, George Robertson and Al Allen Kingston, Hugh Hughes and

Frank Lawell.
Fiat. Ralph de Palors and F. H.
Parker. Ranter, Louis Disbrow and Charles H. Lund. With the idea of stimulating the drivers to high speed, the members of the track have offered prizes for the greatest mileage made in any one hour and for various accomplishments.

George Robertson, who won the last 14-hour race, predicts that more than 1,290 miles will be made by the winner of this event.

A CLEVER SCHEME. Jimmy Dime Evolves One to Pick Bat Jimmy Dime Evolves One to Pick Bat Nelson's Master.

Pittsburg, Aug. 25.—Jim'ny Dime, the matchmaker of the National Sporting club, has formed a unique plan for picking the right man to meet Battling Nelson in this city. He is arranging matches with a view of a process of elimination. Ad Wolgast and Harlem Tommy Murphy meet here tonight. Following this will be matches in which Packey McFarland, Cyclone Johnny Thompson and Frayne, will be the principles. McFarland and Thompson have been trying to get together for some time, and this will probably be one of the first to meet. Then Frayne will be brought into meet the winner, and so on until the best man is chosen to meet Nelson.

BIG FELLOWS MATCHED.

BIG FELLOWS MATCHED.

San Francisco, Aug. 24.—Jack Johnson, heavyweight champion of the world, and Al Kaufman of San Francisco, were matched tonight to fight 10 rounds at Coffroth's arena in this city, on Sept. 9. The men will fight at catch weights, and if they are both on their feet at the end of the tenth round no decision will be given. The bout will be refereed by Eddle Smitn of Oakland. Nothing was made public about the division of the purse.

The match between the colored champion and the Californian made by Charles Coffroth, was somewhat unexpected. It followed Coffroth's failure to sign up Philadelphia Jack O'Brien and Kaufman for a 10-round bout on that date. Coffroth hunded up Johnson, who is in the city, and succeeded in getting him to take O'Brien's place.

Eddle Smith, before accepting the position of referee, said that if he believed from their actions that the men were stalling at any time during the 10 rounds, he would disqualify them and declare it no fight. It was with this understanding that the articles were signed.

Johnson is doing light training at Emeryville, across the bay from San Francisco.

JIM BARRY WINS.

Los Angeles, Aug. 24.—Jim Barry had the best of a tame 10-round fight wit Jack Burns at the Pacific Athletic cluss arena here tonight. No decision was given from the ring.

Barry sent Burns to the floor in both the second and sixth rounds with right swings, and at times mowed flashes of his former speed, but for the most part the rounds were devoid of anything like good or rapid fighting, and were replete with clinches and foot racing.

In the tenth, Barry went after his man and had him in great distress at the end of the fight.

Before the fight started the winner was publicly promised a fight with Jack Johnson, heavyweight champion, in this city at some date during the latter part of September.

Burns showed a lack of speed through out all the 10 rounds and contented himself with left jabs to the head, which never seemed to distress Barry, although his mouth was bleeding from the first round. Los Angeles, Aug. 24.-Jim Barry
